

Welcome to Arturo's

Since we, the Gismondi family, opened Arturo's on Long Island in 1958, it has been our goal to provide our valued customers with a unique dining experience. Our cuisine is prepared with the highest quality meats, fresh fish, farm fresh vegetables and produce: some handpicked by family members.

Our wine list has been designed to offer the finest wines and vintages available: wines individually tasted to insure the quality that we desire and stored in our wine cellar, under the restaurant. They are stored and aged to perfection in an air-conditioned and dehumidified area at 58°, just like a cellar in Italy! Our staff has been trained to help you select the perfect wine for that special occasion, or to serve an old favorite.

"The Wine Spectator" has awarded the "Award of Excellence" to our wine list since 1994 and the last seven years the "Best of Award of Excellence".

Your comments on our selections are appreciated.

Buon Appetito!
